Agent Of Change
Translations!

You've been looking at that garden for a long time.
You should look too, it's interesting.
I've sold many gardens for a variety of purposes.
But they are no where as amusing as this girl.

Since Gizel disappeared...
It's already been a whole month,
Squish Squish
Don't sit on my head, Cocofan!..
Yet no one is willing to help search for Gizel...
Everyone was in a panic when they heard that the Miraculous Witch had gone missing...
Since the accident, Vivi has been telling Gilbert that he should take this as a chance for change
"You can't expect to live with you sister forever!"
Were one of the many advices he had been giving to Gilbert
C'mon, just come back to the shop...
The winter seal fruit isn't even buy you a new wand.
As long as you come back.
Jolt

But what can I do alone...?
That's why I have to do something about it!
Drops
That's right this is a quarrel between twins!
Wait, if I can't do this alone, then...!
GASP!
To hire a detective...
I guess it costs quite a bit.
So it's best if I don't spend too much...
I quit my job.
You seem to be in a bind.
Huh?
I knew it... I don't know what to do after all...

Umm..
Oh, please excuse me.
!?
Hah?
She's so tall!
They may be impressive.
But they're all very odd detectives.
It's just that I see many folks like you who hesitate while looking at the billboard.

My name is Whiteley
You're a detective too?
Gilberta Whiteley...
White as in the colour?
Are you expensive like them?
Um...
Haha.
Sorry I didn't mean to-
I feel like-
She looks like I've seen someone her seme I know -where before...
I'm just a Jane of all trades who calls herself a detective.
I'm not very expensive.
So please give me a call. If you find yourself in need of my services.
rustle

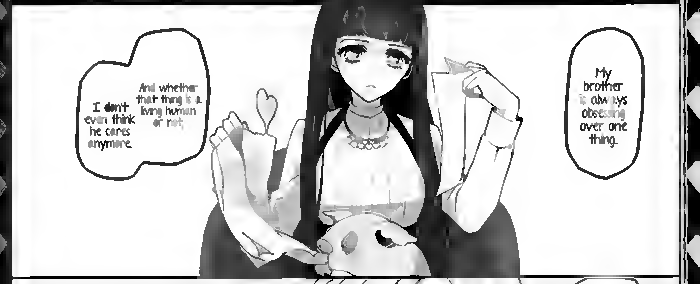
Police reports
Witness reports,
And other documents.
Thank you
So your request was about your sister after all
Eh?
After seeing your face,
I knew right away that you were the younger brother in the rumours.
...
She really looks familiar...
Oh...

It doesn't seem very likely that she has been involved in any accidents since her disappearance.
I see.
!!
rustle
Detective, do you happen to have an older brother...?
We had an argument shortly before...
Why?
Y-yes,
I've been thinking that my sister left on her own accord also...
One who is a florist?
I always thought that my brother was a one-sided fan of yours.
I'm surprised.
Nicola is indeed my brother.
The same floral scent as Nicola.
Last month's accident is Nicola...
The more I look, the more similar they appear.
Their eyes, and hair, they even have matching piercings.

If only he were dead
What?
By some miracle, he survived.
A large bronze statue nearby shielded him.
T-that's good to hear...
No
I was worried because I couldn't contact him.
Is he at a hospital then?
He was there for a while following the accident.
But he is currently missing.
Huh?
I'll talk a little more about my brother.
Stop me if anything catches your attention.

My severly injured brother was treated by your sister
Thanks to her skill, his life wasn't in danger
The hospital that my brother was taken to on the day of the accident
Was the one where Gizel worked
I contacted the hospital after he disappeared,
From what I've heard,
Those two had gotten close...
It has also been a month since my brother has disappeared.
Nicola is close with Gizel
But somehow, I get the feeling that they left together
It could be a coincidence that they disappeared around the same time...

Are you alright?
!?
!?
Scrunch
E-
Quiver
So in other words...
You mean that they have...
Mr. Harrington, I know it's difficult with so many documents.
Elop-ed...
But there were a few parents with Gizel being out for any class.
And that with a certain patient's patient
Ta-da
It isn't me.
My brother was obsessed with a plushie just like this one.
Hey, Gentlemen, I'm getting an eye guest
Oh, he's heavier than he looks.
Sw ish



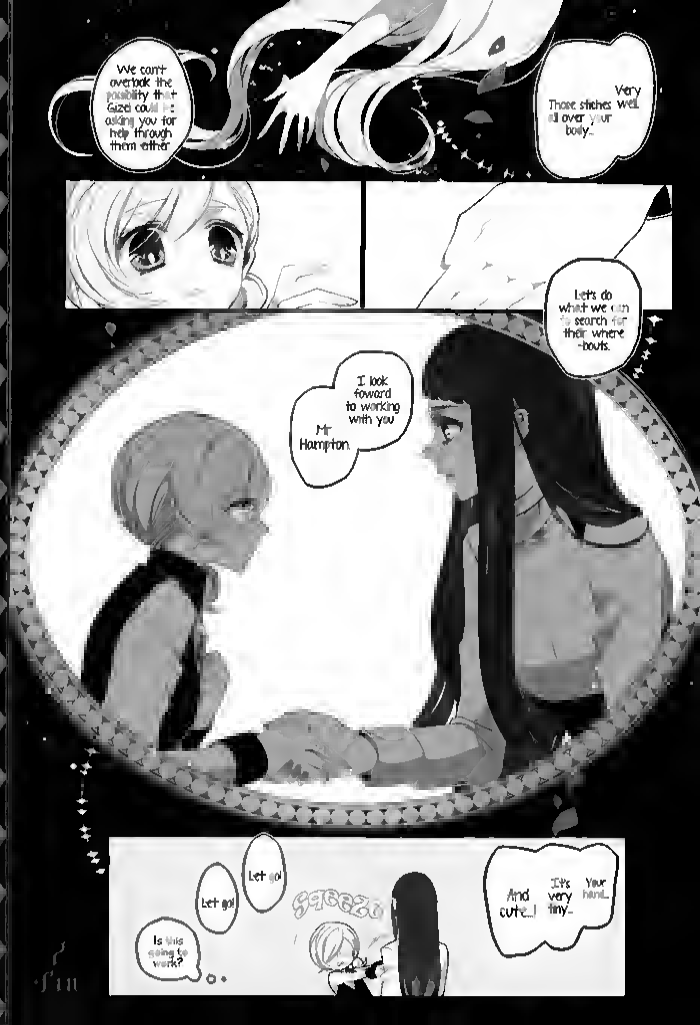
My brother is always obsessing over one thing.
And whether that thing is a living human or not.
I don't even think he cares anymore.

Did you call out to me...
Because you suspect that Gizel and Nicola are together?
Detective, were you also searching for Nicol-
That's not the case.

I regretted it immediately if I had paid closer attention to your face, I wouldn't be in this situation.
Yup
Yup?
How cruel
DEAD?
Were you just hitting on me?
As for my brother better off dead.
I called out because I thought you were very adorable.
Sigh...
She really was just hitting on me...
What should I do...?
I thought it would be nice if we could go for a meal...
That's why I gave you my card.
No
I do think your face is very adorable, Mr. Hampton.
Lets get back on topic.
Oh right.
Shocked!
Was I not invited?
No, not at all.
I didn't think you'd invite me to your house to start the investigation right away.
Feet?
I also wanted you to look at my feet.
Are you referring to those scars?

They started appearing all over my body after she had been missing
They look like stitches.
Yes, they look very much like my sister's magic.
I thought that they might be a message from her...
Because she is still upset at me...
Are those scars. No, stitches. All over you body?
Yes, every where.
Can you show me?
I refuse.
Shake...
May I look into Gizel's room then?
We may be able to find a clue.
Mr. Hamster, it seems that out of the many investigators that have been here
None of them have the same ability as me.

Help me search for my sister and Nicola!
Please...
Oh, please excuse me, it just si-
Not at all, please take a look!
And an important friend. He is an important customer.
But to me...
Detective, you don't seem to like Nicola very much.
What? Why my brother too?
No...
Please.
Please don't look at me with such pro-vocative eyes!
Please, don't look at me like that either de-fective...
She's similar to Nicola in personality also...
Jolt



We can't overlook the possibility that the Gazel could be asking you for help through them either
Very
There stitches well all over your body...
Let's do what we can to search for their where-bouts.
I look foward to working with you Mr Hampton
Let go!
Let go!
Is this going to work?
sqeeze
It's very tiny...
Your hand...
And cute...!
